SSBC Sponsored Walk

On Saturday 29 October 2016 I will be taking part in South Street Baptist Church first sponsored walk! I am helping to raise money towards making the building more accessible to less able bodied people by building disabled access ramps and facilities. Your donation is so important to the future of the church. Please help me by donating what you can to this fantastic cause.

N.B. All donations and pledges must be submitted by 12/11/2016.

I will be walking Miles for the Sponsored Walk!
