SSBC DISCIPLESHIP PATHWAY

Anyone who worships with us regularly, members of the church, or those who want to be part of this church are encouraged to attend the discipleship pathway. This includes everyone in a leadership position, those who serve in ministry, young people from 13 years, new believers who have prayed the prayer of Salvation or those recommitting their lives to Christ. We want to re-learn and journey together with you. Whatever stage you are in your faith, this will lead to a powerful pathway for you as you will be activated by the Holy Spirit and presence of God.

The discipleship pathway starts with the affirmation stage which is: A New Life, A New Beginning: there will be four teaching sessions on Sin and its Consequences, Repentance & Forgiveness of Sin, Baptism of the Holy Spirit and Water Baptism. Half a day's session for Supernatural Encounter and the final session of the affirmation stage will see all attendees go through Inner Healing & Deliverance.

The next stage is Leadership phase 1: Introduction to Leadership, Evangelism School, Family School and School of House of Peace.

Please sign up to attend the discipleship pathway and be consistent in attending all classes at each stage otherwise it will not benefit you.
